

KICK AT DARKNESS, INC

No survivor should ever have to pay for their own healing

To Whom It May Concern:

Kick at Darkness is a 501(c)3 nonprofit (EIN: 82-2939193) helping survivors of sexual assault, domestic violence, sex trafficking, child abuse, and hate crimes in the state of Arizona. Our goal is *no survivor should ever have to pay for their own healing*. We collaborate with organizations already helping survivors in order to get the tools, information, and funding they need to transform the lives of these survivors. We also provide Warrior Kits to our survivors, helping them make it through their PTSD as they begin to heal.

KAD teams up with other entities such as CAST, BACA, Trauma Healing Services, ACESDV, Take Back the Night Phoenix, and local businesses like Golden Rule Tattoo, PuraTea Water, and Papa Ed's Ice Cream to host fundraising events. We will be holding several fundraising raffles at events like these in the coming months.

As you may assume, we rely heavily on the donation of items from friends and supporters in the public community. We are reaching out to you to request a donation of services or donations of in-kind or locally made items for our fundraisers.

If you are able to support survivors through the donation of raffle items, services, or financial donations, we all would greatly appreciate it!

Our need is for multiple donations of items, yet if you are only able to donate one item, we guarantee it will make a *huge* difference. In return for your donation, we are able to provide you with a letter of acceptance for your tax records based on the item(s) donated. *Please note we are not able to give tax advice and provide this letter only for your self tax preparation or to give to a professional.*

In advance, thank you for your support of our community and survivors. You are helping us change our world.

Stormin' the castle,

BilliJoy Carson
